

# Serial Rapists

## The Simple Math

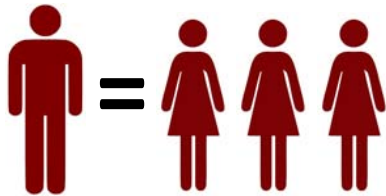

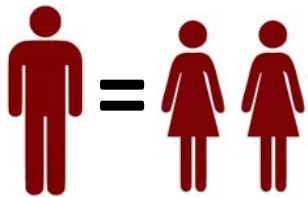

by Jim Hopper, Ph.D.

*October 2015*

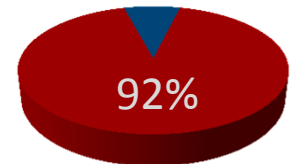

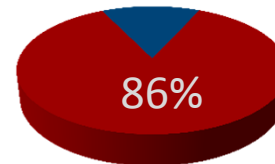

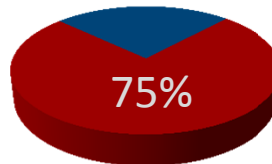

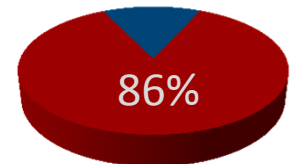

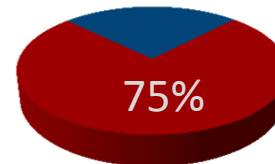

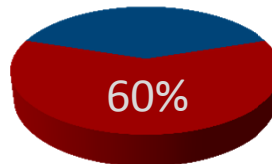

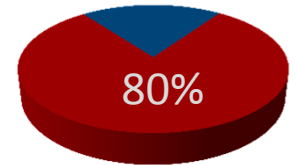

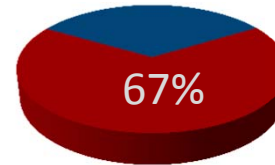

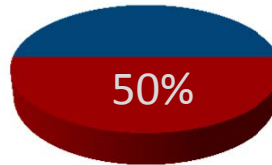

## Proportion of Rapists That Are Serial Rapists

## Average # Victims

## % of Rapes Committed by Serial Rapists

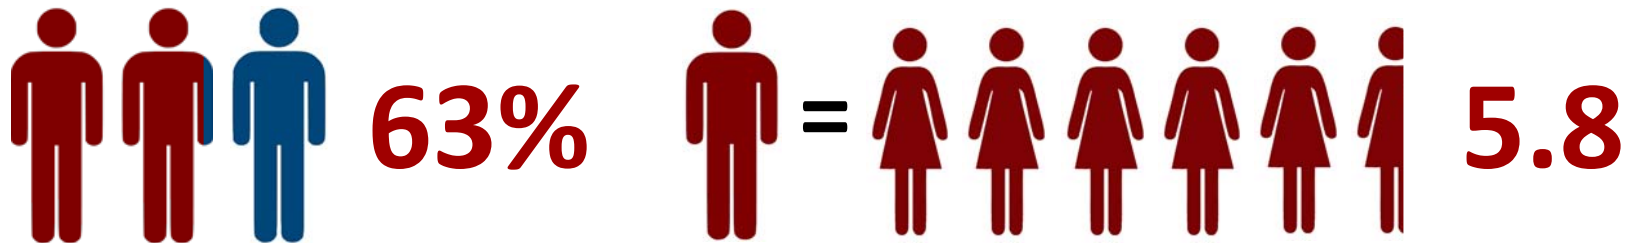

What does the **research** say?

Only two research groups have  
published numbers based on  
**simple math...**

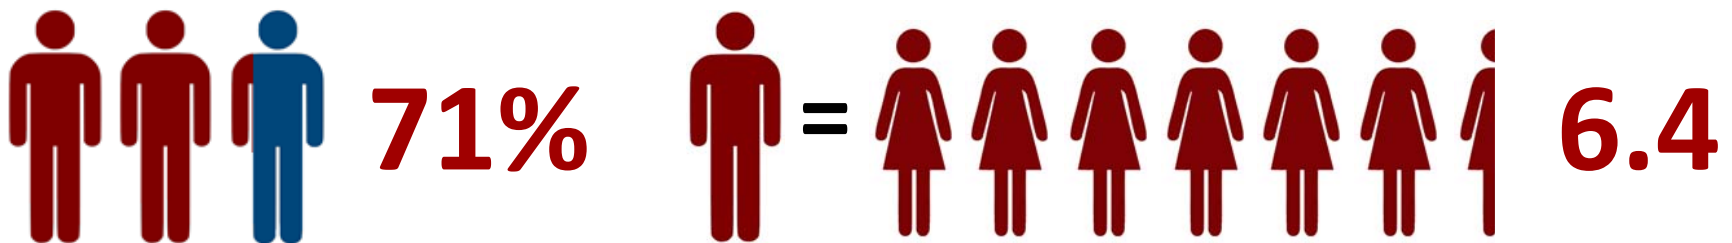

## Lisak & Miller, 2002

College students, commuter school, average age of 26, **120 rapists** (6.4% of 1882)

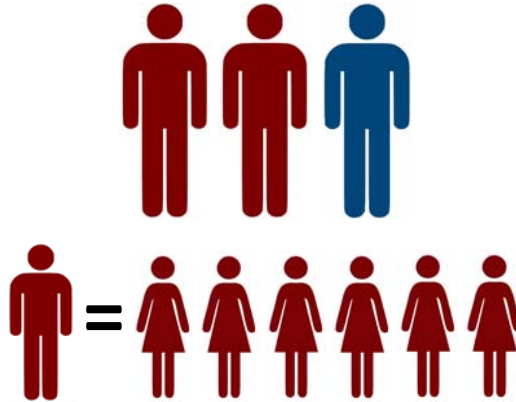

## McWhorter et al., 2009

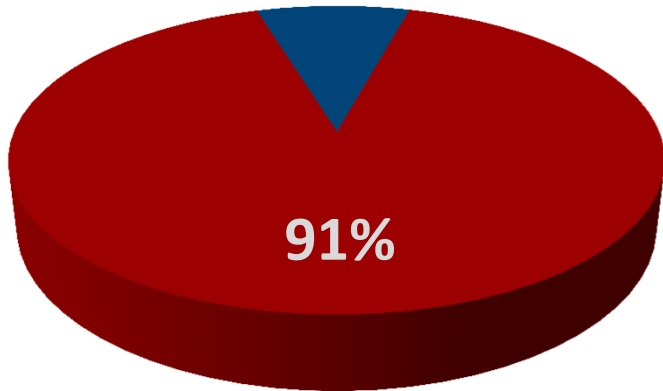

Navy recruits, average age of 20 (range 17-34), **144 rapists** (13% of 1146)

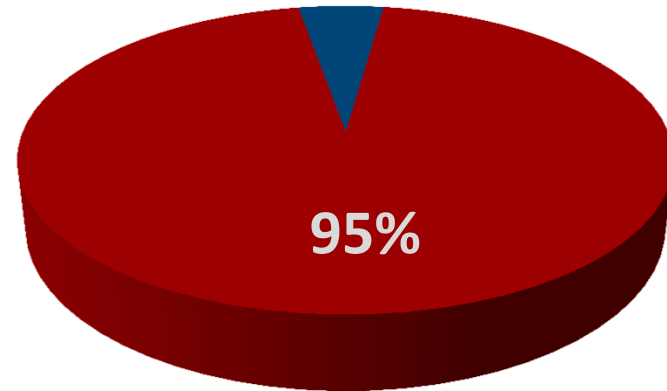

What percentage of rapes were  
committed by serial rapists?

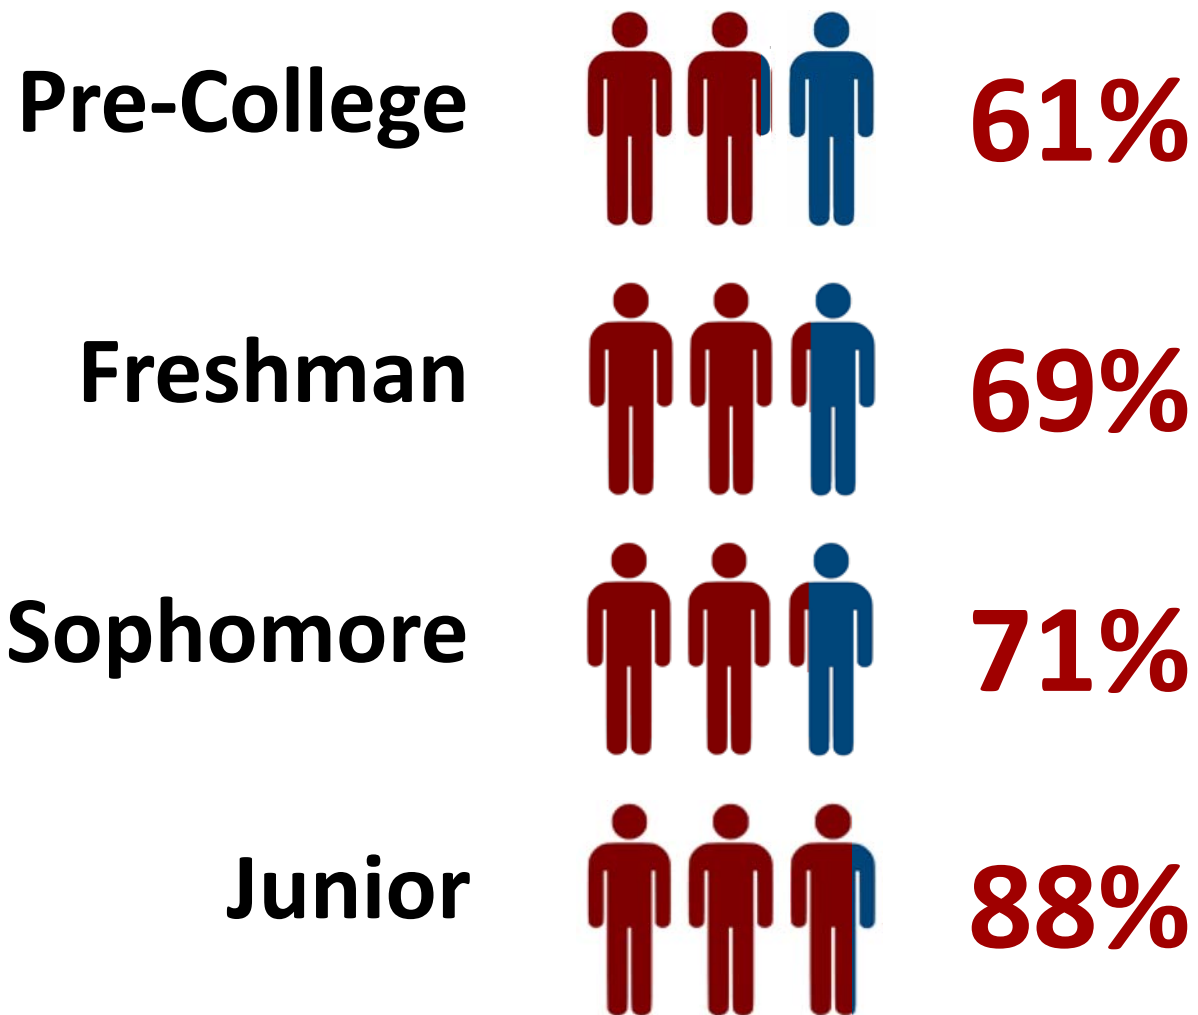

**Lisak & Miller, 2002**

**McWhorter et al., 2009**

Swartout and colleagues'  
own data...

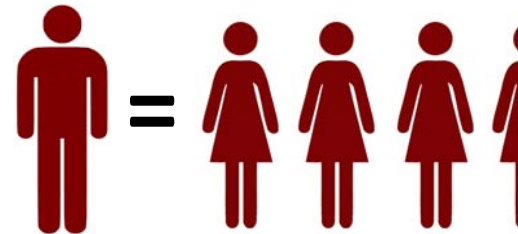

**Pre-College**

**4.6**

**Freshman**

8 months

**3.4**

**Sophomore**

**4.3**

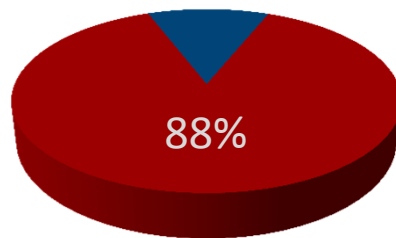

**Junior**

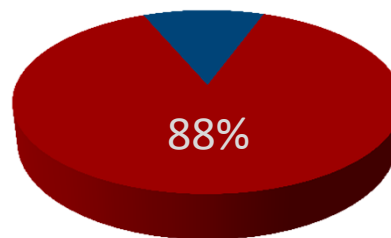

**5.2**

# Percentage of Attempted and Completed Rapes Committed by Serial Rapists

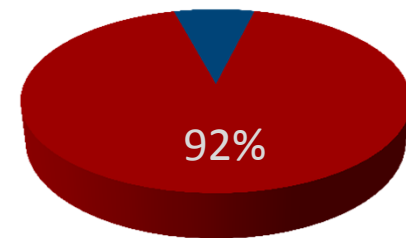

**Pre-College**

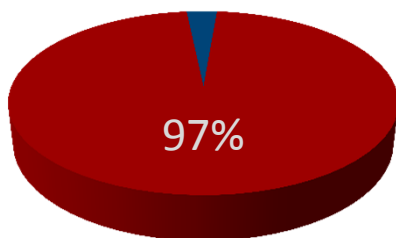

**Freshman**

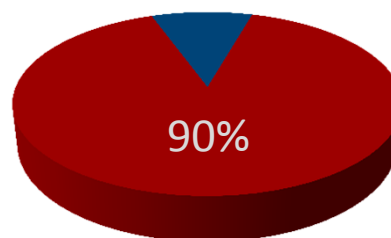

**Sophomore**

**Junior**

**Avg. All Four Periods**

**Avg. Freshman-Junior**
